

COVID-19 Testing Certification for Athletes 13 – 19 Years Old

Beginning April 2, 2021, weekly testing is required for all athletes ages 13 to 19 for participation in organized sports per MDHSS Order.

- I certify that my child will be tested weekly for COVID-19 between April 2 and 19, or a later date if the MDHSS Order is extended.
- If my child tests positive for COVID-19, I will not bring him/her to practice or a game and will communicate the test results to my child’s coach.
- If my child exhibits any symptoms of COVID-19, including, fever, cough, shortness of breath, chills, muscle pain, sore throat, headache, or new loss of taste or smell, I will keep him/her home from practice and games.
